## EXPERT WITNESS TESTIMONY

Electronic evidence, computer & network forensics, and IT investigations are complex and subtle disciplines that can be challenged in court, it is essential that your provider can act as an expert witness to testify to the methodologies used and the veracity of the evidence obtained.

OnlineSecurity's technical team provides expert witness testimony for all of our forensic, investigative, and security services. In addition, our staff is qualified to and experienced at providing general information technology expert witness testimonies.

### Service Description

Online Security's experts are experienced IT professionals and senior forensic engineers with, on average, more than 15 years of experience.

Our experts have testified in state and federal courts on a wide range of information technology, forensics, investigative, and security topics including:

- ▶ Forensic protocols and the authenticity of evidence recovered in an investigation.
- ▶ Information Technology investigations involving intellectual property theft, digital trespass, code comparisons, and malware.
- ▶ Security systems, policies and procedures and the degree to which they do or do not protect digital assets.
- ▶ Information technology and its impact on privacy, security, business, law, and society.

### Delivery Mechanism

- ▶ Expert witness testimony is an iterative process which requires close collaboration between the expert and the attorney. Our experts will work with counsel, either remotely or on site, to shape the testimony to the relevant facts of a matter.

### Deliverables

- ▶ OnlineSecurity's experts will work with counsel to shape the final form of the testimony whether in court or deposition.

### Pricing

- ▶ Expert Witness Testimony pricing starts at \$375/hour with a minimum of four hours.
- ▶ Quotes for expert witness testimony will be based on the scope of the work and will be priced by time and material required.
- ▶ Expenses are billed on a 'no- load' pass through basis, and Travel time is billed at 1/2 rate.
