DISCOVERY STRATEGY CONSULTING

Computers, networks, and other electronic systems are complex devices that often have information critical to a legal matter. Discovering this information is not as simple as serving a traditional discovery request. Discovery requests for electronic systems must consider the complexities and nuances of those systems.

OnlineSecurity's Discovery Strategy Consulting Service provides attorneys with focused information technology expertise to assist them in the shaping of electronic discovery requests and the development of their electronic evidence discovery plan.

Service Description

Discovery strategy consulting can be simple or complex depending on the particular needs of the client. Potential services include, but are not limited to:

- ▶ Assisting an attorney with a discovery request document and any subsequent declarations.
- ▶ Advising an attorney on the nuances and subtleties of electronic evidence.
- ▶ Researching case law and legal precedents as they relate to electronic evidence and the client's matter.
- ▶ Crafting deposition interrogatories for a pre-discovery deposition.
- ▶ Developing a comprehensive electronic discovery strategy for a complex litigation.

The particular mix of services provided in any engagement will be based on the requirements and scope of that engagement.

Delivery Mechanism

- ▶ OnlineSecurity's litigation consultants will work closely with the client to first scope out the engagement and then deliver the expertise that the client needs
- ▶ As per the needs of the engagement OnlineSecurity's litigation consultants will work either at Online Security's offices in Los Angeles or at the client's sites.

Deliverables

- ▶ The deliverable for a discovery strategy consulting engagement can vary greatly depending on the needs of the client. It can be as simple as a two hour consulting and education session or as complex as a detailed discovery strategy and plan encompassing drafts of legal documents.

Pricing

- ▶ Discovery Strategy Consulting pricing starts at \$225/hour with a minimum of two hours.
- ▶ Quotes for discovery strategy consulting are based on the specific scope and complexity of the engagement and will be priced based on the estimated time and material required.
- ▶ Expenses are billed on a 'no- load' pass through basis, and Travel time is billed at 1/2 rate.
